Bare minimum requirements

USI G&P, GPS-G&P Office, NVTI & Strategy, TT, and Global Teams

February 2026

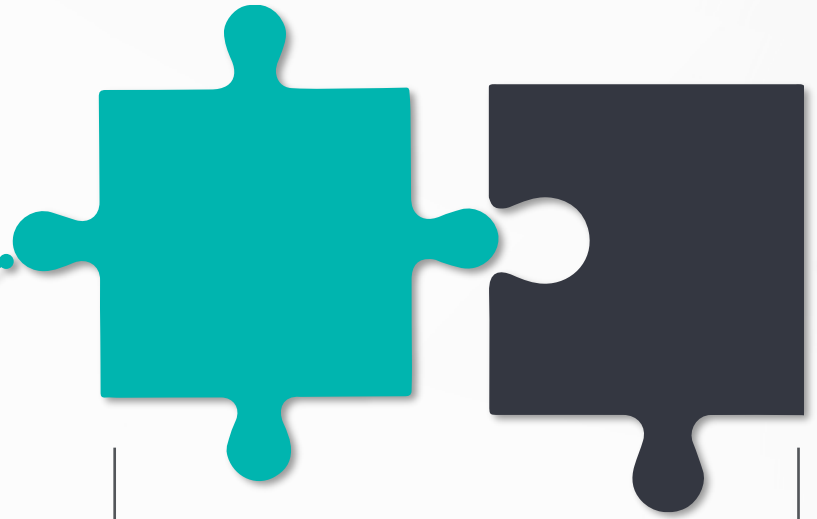

Introduction

Bare minimums are a set of guidelines that serve as the bedrock of basic expectations from all professionals of USI G&P, GPS-G&P Office, NVTI, Strategy, TT, and Global teams for performance year (PY27) to meet their compliance requirements and adhere to all firm policies.

Listed below are the firm and group-level compliance expectations:

Firm-level compliance

- Firm mandatory actions
- DTE timesheet
- iRPM (*Snapshots*)

Group-level compliance

- Horizon Bolt compliance
- Enhance compliance

Firm & Group level compliance

- Participation in L&D programs as per guidelines
- CE competency and recommended hours
- Performance management actions
- Hybrid guidelines

Bare minimum expectations for all professionals (*1/2*)

Compliance expectations	Metrics	**Tracking** *(referred to one or more sources)*
Recording on firm/group systems	• Accurate and timely submissions on DTE, Horizon Bolt, and Workfront (*select teams only*) – No more than 6 DTE & 6 Horizon Bolt misses in a performance year – No mismatch of DTE vs. Horizon Bolt data – Accurate flexibility requests to be updated on Horizon Bolt before availing flexibility – Accurate DTE jurisdiction^ update based on the work location	• Performance Pulse dashboard on Horizon Bolt • Talent report • Workfront data
Utilization*	• Utilization targets are to be updated on Enhance by February 27, 2026. • Meet the project utilization target, explained on Utilization slide 6	• Performance Pulse dashboard on Horizon Bolt • Talent report • Workfront data
Firm mandatory actions	• Compliance with firm mandatory activities (*Independence statement, updating TOD details, etc.*) and all bare minimums must be ensured	• My Compliance Dashboard (MCD)
Hybrid guidelines	• Adherence to office presence expectations in line with business and location guidelines	• Flexibility recorded on Horizon Bolt • Talent report

Note:
- Compliance with bare minimums is mandatory. Non-compliance will impact performance evaluation and may result in disciplinary action.
- ^Path for jurisdiction guideline: **Talent On Demand -> Talent Policies -> 500 -> 510 ->.007**
- *Project utilization includes core work only *(see slide 6 for targets)* and not initiatives. However, non-project hours (*e.g., L&D, meetings, initiatives*) also need to be captured accurately under the right categories on Horizon Bolt and DTE.

Bare minimum expectations for all professionals (*2/2*)

Compliance expectations	Metrics	**Tracking** *(referred to one or more sources)*
CE Benchmark and Learning and Development	• All agreed-on trainings to be updated under Goals and Target bare minimums (L&D target hours and CE hours) on Enhance by **February 27, 2026**, or within the **first thirty days** of joining. • Required CE competency and recommended CE hours are provided on slide 7. CE test scores as of **January 9, 2027**, will be considered for year-end performance reviews. • L&D target hours updated on Enhance must be completed before **January 9, 2027**. • There should be no L&D no-shows and not more than 1 late cancelation. L&D cancelations, if any, must be done on Saba and informed to the L&D team at least 15 days in advance to avoid late-cancelation charges.	• Report from Horizon Bolt validated by CE team report • Mandatory training compliance report • L&D hours report on Horizon Bolt • L&D team report
Performance management (as team member)	• Team members to schedule one-on-one check-in conversations with the TL/Coach once a month. TL/Coach conversations must be captured on Enhance **within two working days** of the meeting. • All performance management tasks such as updating bare minimums (*target utilization in %, L&D, and CE hours*), updating SMART goals and progress against them, capturing coach conversations, raising feedback requests, and raising Snapshots on iRPM within the Talent and CAIR conveyed timelines after approval by the coach. • Ensure that compliance with all bare minimum guidelines for PY27 is one of your goals on Enhance, and progress updated as per timelines conveyed by CAIR and Talent.	• Talent- Performance management team report • Enhance report • Actual numbers or performance metrics • TL/Coach meeting records • Performance Pulse dashboard - performance tracking metrics and reports

Note:
- Compliance with bare minimums is mandatory. Non-compliance will impact performance evaluation and may result in disciplinary action.
- Any L&D no-show or late cancelation exceptions need to be signed off by the L&D team and CAIR team.

Bare minimum expectations for professionals with TL/Coach responsibilities

All CL4 and above professionals with TL/Coach responsibilities have additional mandates under bare minimum expectations.

Compliance expectations	Metrics	**Tracking** *(referred to one or more sources)*
Performance management (*as TL/Coach*)	• Have monthly conversations with team members and ensure that they are accurately recorded by the team member and approved by the coach on **Enhance** within two working days of the meeting. • Ensure that team members create SMART goals on Enhance and regularly update progress against them within the timelines prescribed by CAIR team. • Review the list of feedback providers, sign-off the snapshot hours for team members, and complete the due diligence by consolidating feedback from stakeholders as per the timelines prescribed by Talent and CAIR team. • Ensure that the snapshots are filled on **iRPM** using the full Likert scale and as per the timelines provided in the performance management emails. • Provide quarterly feedback to your team members on **Enhance** as per timelines prescribed by Talent and CAIR team. • Guide team members to plan their L&Ds and absences to avoid no-shows and last-minute drop-outs.	• Snapshot report • Enhance report • Horizon Bolt report • Actual numbers/performance metrics • Various performance tracking metrics from CAIR dashboard and reports
Compliance	Ensure compliance with firm mandatory activities (*Independence statement, updating TOD details, etc.*) and all bare minimums for self and team members.	**Performance Pulse dashboard on Horizon Bolt**

Note:

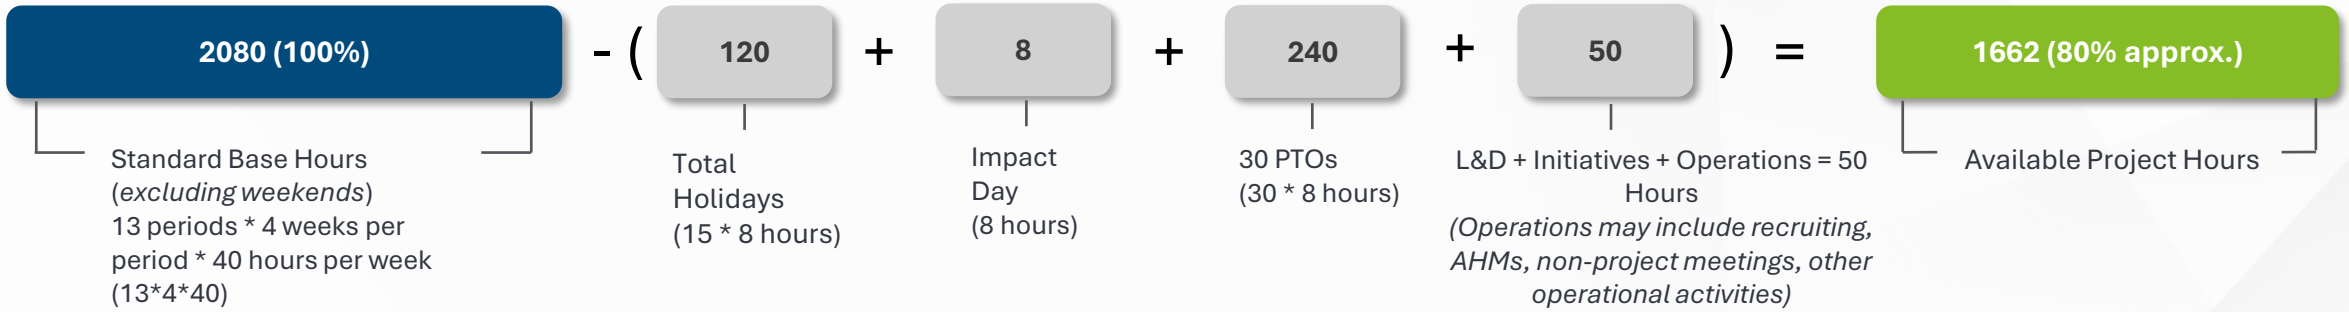

- Compliance with bare minimums is mandatory. Non-compliance will impact performance evaluation and may result in disciplinary action.
- Path for jurisdiction guideline: **Talent On Demand -> Talent Policies -> 500 -> 510 ->.007**
- Refer to the TL and Coach roles per **iRPM**

Utilization targets

Category	Targets
Standard target for professionals in non-coach roles	80% (refer to calculations below^)
Reductions for coaches	2% reduction in target per team member
Reductions for new hires	50% for the first 90 days of joining
BAL	Determined based on discussions with USI business leader/coach

^Standard utilization target calculations

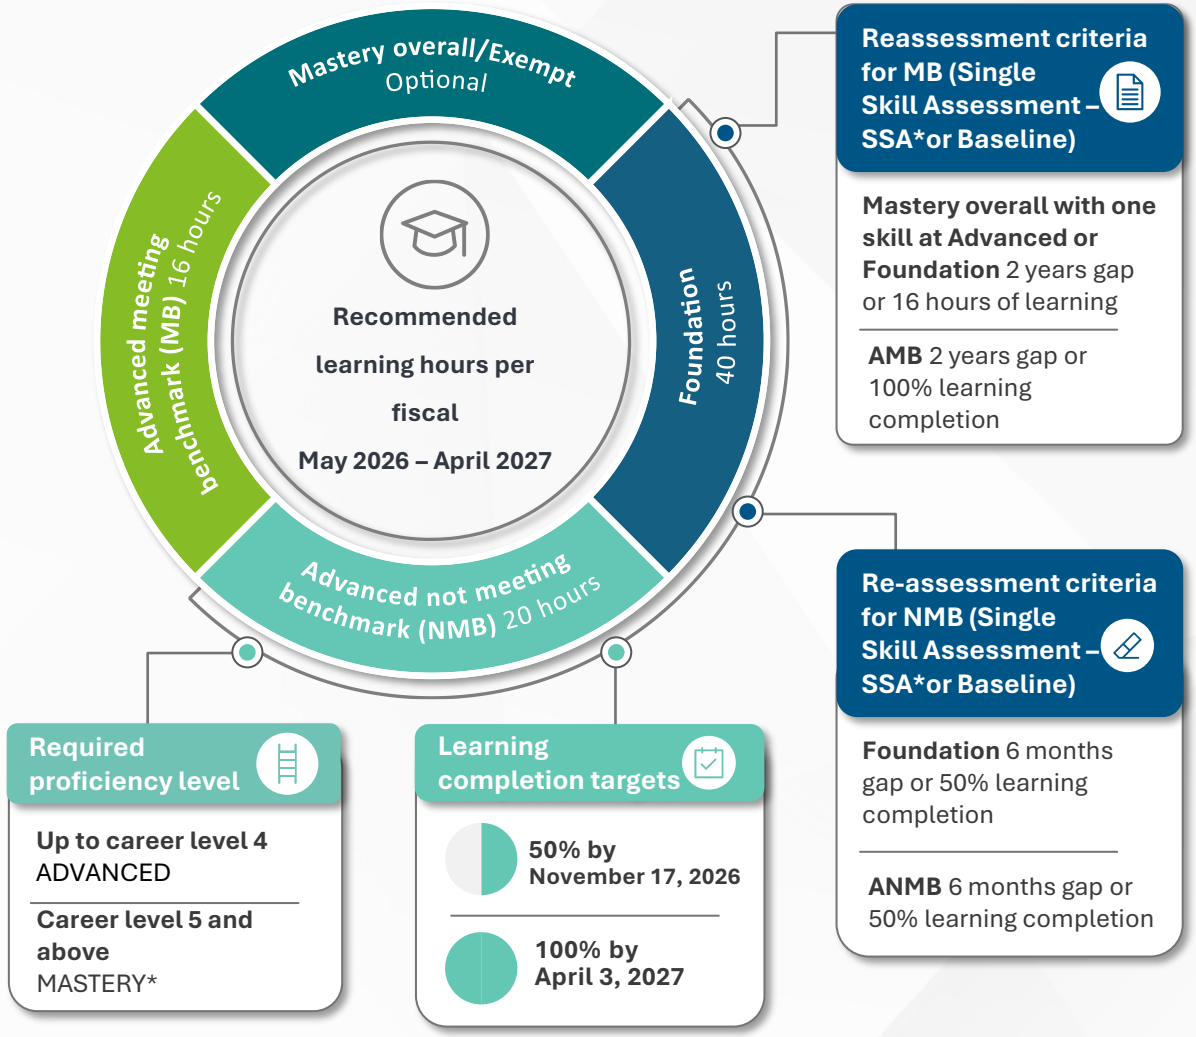

- These calculations assume that a professional avails a maximum of 30 days of paid leave in the performance year. Base hours would be adjusted further for professionals on leave of absence/ additional medical leave/ loss of pay/ dial-down.
- Project utilization to be recorded on **Enhance** homepage (Target bare minimum) by February 27, 2026.
- CL4 and above professionals who assist BALs on key operational activities may have a project utilization target reduction of 2-3%, subject to BAL approval. This may increase BAL's utilization target by a similar value.

CE Guidelines

Career Level	Required Competency
CL2 (Associate Analyst)	Advanced^
CL3 (Analyst and Senior Analyst)	Advanced^
CL4 (Assistant Manager and Deputy Manager)	Advanced
CL5 (Manager and Executive Manager)	Mastery
CL6 (Associate Vice President and Vice President)	Mastery

- All CE learnings are mandatory. Ensure that you meet the competency required for the designation that you are at.
- ^ Foundation –meeting benchmark is only for Associate Analyst, Analyst and Senior Analyst in Brand Activation in a non-core communications role.
- * You can attempt only two Single Skill Assessments (SSA) in a fiscal year. If you become eligible to be re-assessed for the third time in one fiscal year, the CE team recommends you take the complete CE Baseline Assessment.
