Adobe Firefly Video Model

Bringing generative AI to video with Adobe Firefly Video Model

Generating water-color styled people imagery on Firefly - Vineeth

"As part of initial concept generation for Dollar General Corporation, a discount store chain in Tennessee, we used an artistic approach and generated water-color styled people imagery for the concept based on keywords provided by the engagement team.

This was the first concept option that we shared. Later, the team decided to go in a different direction. However, my first attempt at ideation with Adobe Firefly helped me to push boundaries and see what all is possible within short span of time."
